Sports Update

HS Swimming - We had our first swim meet last night against Scecina. It was a good meet. The boys won; the score was 45-26. The girls lost with a score of 32-54. We captured some first places. In the 200 Medley Relay Emily Schultz, Stasia Greenberg, Chelsea Nemer and Luana DeMello placed first. Emily Schultz came in first in 200 Free, and Chelsea Nemer came in first in 50 Free. In the 200 and 400 Free Relay Clayton Anderson, Galen McCallum, C.L. Young & Jeremy Wright won first place. Jeremy Wright was in first place in the 200 IM and 500 Free. Clayton Anderson came in first in 50 and 100 Free. Galen McCallum placed first in 100 Back. C.L. Young won first place in the 200 free. Our next meet is against Broad Ripple this Thursday at ISD starting at 4:15 pm. Come to the meet and support us!

News from High School Visual Arts - Please come to the Vocational Building to browse the students' art exhibit entitled Mask. Students put their hard work into making their masks for almost one month and wrote a story about Greek mythology's gods and goddesses. They invented a new god/goddess with wonderful ideas to decorate their mask. The mask exhibit is open to the public and displayed in the hallway between the Distance Learning Classroom and the Visual Arts Classroom in the Vocational Building. Come and see these awesome masks. Please do not touch the exhibit and keep your eyes on students to make sure that they do not play or touch it. Your cooperation is appreciated! Enjoy the new experience of the Greek mythology masks!

Call for Deaf Exchange Students - Carrie Duhl, a field representative from American Field Service (AFS) Intercultural Programs, visited ISD campus on Friday, November 22. She spoke to about a dozen students and their teachers, explaining the AFS is openly recruiting American students with disabilities, specifically deafness, for their ranks. Several countries already send their own deaf students to the United States, and those same countries have been begging for students in return.

AFS offers various exchange programs. In addition to the School Year Program, in which students attend schools in their host countries, there are also programs available for a school semester and for the summer. Summer students can simply stay with a family during vacation, participate in intensive language study, or be involved in community service projects. Students age 18+ have the opportunity to travel abroad to participate in projects involving environmental conservation, cultural heritage preservation, or working with children the elderly, the disabled, and others.

The cost for these programs varies. However, Ms. Duhl explained that the DeWitt-Wallace Diversity Initiative scholarship is awarded to students of color or with disabilities. These partial scholarships, worth 50%-80% of the fee, are based on need, geography, and a commitment to raising part of the program tuition. Deadlines for submitting applications for these scholarships are December 5, January 30, and March 13. Ms. Duhl emphasized

that early applications have a better chance of being funded. All programs require a \$75 application fee. Pre-application forms are available at the AFS website: www.afs.org/usa.

Teachers can participate in the Global Educators Program, teaching abroad for a semester or for a month in the summer. Scholarships are also available for them. For more information, contact Jim Frenchik in High School, or visit www.afs.org/usa. You can also get information by calling 1-800-AFS-INFO, or by email at afsinfo.org.

ISDTV Content Guidelines - Content for ISDTV programming must be in a PowerPoint file. Any content submitted on paper or any other file formats (e.g., DOC, PDF, etc) will not be accepted. The provider of the content is responsible for creating slides using PowerPoint, performs all proofreading and ensures that appropriate fonts and colors for ISDTV are used. The file must be submitted 48 hours in advance for it to appear on ISDTV on your target date. Your PowerPoint file(s) may be sent via email attachments or hand delivered to Stuart Ikeda (or Technology Center staff) or Darin Turner. Sports Update

HS Girls Basketball Indiana - 54 Bethesda Christian - 43 We had to battle to overcome two things, Bethesda Christian and Bugs (Flu/Virus) last night. Two of our starters played limited roles tonight while they were battling the Bugs. With our two starters out of the lineup, we had to play with two Seniors and three Freshmen. Our Freshmen did a wonderful job by taking more responsibility. Our strong inside defense did a great job by allowing only 4 points from their leading scorer. Good Jobs, Girls! The Players of the Game were Justine Jeter (3 pts/7 rebounds/3 blocked shots) and Pia Marie Paulone (10 pts/16 rebounds).

5th & 6th Boys Basketball - We played against Bethesda Christian yesterday, and we beat them 39 to 17. We played an excellent defense, and the boys finally understand what is "Deny Defense". That made a big difference in the game. Tyler Crace, Gabriel Paulone, and Tony Dall got 13, 10, and 10 points respectively. Also Tyler and Gabriel made 5 assists each. Tony stole the ball 5 times, and Will Fetzer took on some very important roles including screen, block out and steal. We are improving and getting better every game. Our record is 2 and 3.

Sports Update

HS Girls Basketball - Covenant Christian - 52 Indiana - 43 The Lady Warriors were ready and hungry for it by outthrusting us for 32 full minutes. Our shooting (28%) was as cold as the outside weather here in Indiana (28 degree). The Player of the Game was Pia Marie Paulone with 15 points and 14 rebounds. Our current record is 3 - 2., and our next game is at home against Manual (12/10/2002).

JV Boys Basketball - The team lost to Covenant Christian, 53 to 23 after trailing only five points at halftime. The team fell apart due to turnovers that led to their break-away points. The team needs to work on ball handling and passing and improve before our next game against International next Tuesday. Our record is 1 - 1.

Varsity Boys Basketball - The team beat Covenant Christian, 50 to 46. We were a much different team than last Tuesday, which we lost flatly to Liberty Christian. Oyne Davis made 15 points (13 points in third quarter) and had seven rebounds. Jon Mowl scored 13 points. Jon Mowl and Andy Choate made key free throws in the closing seconds that guaranteed our big win over favored Covenant Christian. We will prepare for the Clerc Classic basketball tourney next week and leave on Wednesday for Fremont, California near San Francisco. Our record is 2 - 1.

HS Swimming - Yesterday, we had our swim meet against Broad Ripple. The girls won their first meet; the score was 54-17. The girls got many first places. The boys were in hot competition against each other. Before the last event, we were behind by four points. The next event was the 400 Free Relay. We won and beat them by two points. Many swimmers improved their best times. We had some close times that broke school records. Our next meet is next Tuesday against Cathedral at 4:15 at ISD. Come and support us! The Girl's Team record is 1 - 1; the Boy's Team record is 2 - 0.

7th & 8th grade Boys Basketball - Yesterday, our boys played against Trinity Lutheran. It was our first victory! We played an outstanding DEFENSE against them! We defeated Trinity Lutheran by 28 points. The final score was 42 to 14. Coach Sigafoose told the boys four things to do - Defense, Block Out Rebound, Hustle and Triple Threats for Offense. Colin Whited scored 11 points; AJ Christian and Jarvis Beaver scored 8 points. Ryan Hawkins scored 6 points. Coach Sigafoose told the boys that he is very proud of them, but they still have a lot of work to do!! Great Job, Men!

5th & 6th Grade Boys Basketball - We beat Trinity Lutheran 49 to 17. Our starting five just played superb. We played with our three focus game plans (Defense, rebound and fast-break). We are getting better every game but have still a lot to work to do. Our second group must upgrade their level of intensity so Coach Crace is working on them. Terris Hazzard, Gabriel Paulone, and Tony Dall got 17, 14 and 10 points. Tyler Crace got 9 assists. Our record now is 3 and 3.

Book Sale - The American Book Display Company has again set up a table in the Main Library with quality products! Come and see our display of great items - but don't delay - they are here for only a week! Just write down your order on the form, and give it Laura Kesteke with your payment. These items would make great holiday gifts! The prices have been discounted so you'll be getting a bargain plus you'll be helping ISD add to its library collection. Your new items will be hand delivered to the Library on December 12! *Please place your order no later than December 11.* The sale items include:

Sports Update

HS Girls Basketball - Manual 59 Indiana 43 We were off to a good start by ending the 1st Quarter 14-14, but we collapsed in the second and third quarter. This was due to turnovers and their quickness. In the 4th Quarter, we did make a furious comeback by cutting the wide margin into half. We, the coaches, were so proud of the way we kept on fighting until the end of the game. The Players of the Game: Whole ISD Team (for not giving up!) The next game is at the Clerc Classic III against CSD-Riverside on December 12. Our current record is 3 – 3.

7th & 8th Grade Boys Basketball - Our boys played against St Richard. We lost to St Richard. The final scored was 54 to 18.

5th & 6th Boys Basketball - We played against St. Richards yesterday and lost 43 to 22. We were just outplayed and out hustled. Our boys realized that they must be mentally and physically ready for every game. It was a learning experience for our boys. Gabriel Paulone and Tyler Crace 10 points scored each. Our record is 3 and 4.

HS Swimming - Yesterday afternoon, we competed against a very strong team, Cathedral. We tried our best! However, the boys lost with a score of 23-67. The girls lost also; the score was 12-80. The swimmers improved some of their personal best times. We got a new school record for 500 Free by Jeremy Wright by one second off the old record. Clayton Anderson came in first place for 50 Free. Katie Lechner came in first place in 50 Free. Our next meet is at IUPUI tonight at 6:00 pm with seven different teams. Come and support us! Our current record are: HS Boys 2 – 1; and HS Girls 1 – 2.

Sports Update

HS Swimming – The team competed against seven different teams at the IUPUI Natatorium. It was a long night for the swimmers. The boys came in seventh out of eight places. The girls came eighth out of eight. They did a good job. Clayton won 6th Place in the 50 Free. Galen improved his times in the 100 Back and 100 Free. Lindsey Dougherty improved her time for the 500 Free by ten seconds off. Our next meet is Tuesday against Heritage Christian at 4:15 in ISD's Pool. Come and support us!

7th & 8th Grade Boys Basketball - The game was good competition and exciting. Our boys played well against Hebrew Academy, but we lost in overtime. The final scored was 75 to 69. Our boys need to practice DEFENSE and BOX OUTS for REBOUND. Coach Sigafoose is proud of his team's improvements! Colin Whited scores 38 points!! Ryan Hawkin scores 10 points, and AJ Christain scores 8 points. Martin Ritchie and Jarvis Beaver each scored 6 point

5th & 6th Grade Boys Basketball – The team played Hebrew Academy and won 31 to 28. It was a tough game, and both teams played good defense. Our boys just kept playing with poise. They did a good job to finish the game with a win. Tyler Crace and Terris Hazzard got 10 points each. Issac Olvey played well and made 4 points. Our record is 4 and 4. We have two more tough games next week, Edinburgh's 7th Grade and Park Tudor.

Today's Visitors - Sandy O'Connor, parent, along with several of her colleagues, will be meeting with the Parent Infant Program and observing the Preschool Department.

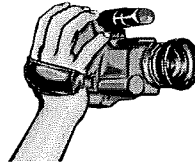

Need A Program Videotaped? – Use the form at the end of today's DB to request your classroom or other activity to be videotaped. Please send your request to Darin Turner or Stuart Ikeda at least 48 hours prior to the event.

Congratulations!!! - Lindsey Dougherty has captured NASA's attention. They will be highlighting her on one of their websites. She did a Christmas painting in acrylics that was really great. Teresa Huckleberry sent it Bonnie McClain, our NASA contact. She showed it to the people at NASA headquarters, and they loved it. Her painting is now hanging in the foyer of NASA headquarters, and they are working on an article to highlight her participation in CALYPSO last summer and the holiday painting that she made. This is a photo of her painting.

Request for Videos

Guideline

To request the TV Production Class to videotape your classroom or auditorium activities needs to occur during school hours:

You must fill out the form **48 hours** in advance. This gives us time to prepare a schedule related to the TV Production curriculum and lesson plans in the classroom.

You can ask if you want the video to be edited or not. (If edited, it will take us two weeks to complete)

Darin Turner is the primary contact person for the Education Department, and Stuart Ikeda is the primary contact person for campus-wide activities.

Requestor name: _____

When: _____ **Time:** _____

Location: _____

Video Edit?

____ Yes ____ No

Do you want to put video in ISDTV?

____ Yes ____ No

Due to low shortage of blank videotapes, it will be appreciated if you bring blank tapes for copies.

Sports Update

7th & 8th Grade Boys Basketball - Our team went to the Kentucky Deaf School last weekend for their Middle School Basketball Tourney. Our boys enjoyed socializing with Ohio and Kentucky's Middle School students. The team won the first two games against Kentucky "B" team and Ohio. They played against Kentucky "A" team for championship game. They struggled offensively shooting and rebound in the first three quarters. In the last quarter, we played much better but lost by 11 points.

ISD 51 vs. Kentucky "B" 8 ISD 35 vs. Ohio 18 ISD 30 vs. Kentucky "A" 41

All Tournament players were Collin Whited, Jarvis Beaver and AJ Christain. Congratulation to Colin, Jarvis and AJ!! Keep it up!! Our boys are looking forward next year and hungry for the Championship!!

January's ASL Evening - Due to the winter break, ASL Evening at Glendale will be on Thursday, January 9, 2003. People will socialize from 5:00 to 8:00 pm in the Food Court with ASL Storytelling by Christine Wood from 6:30 to 7:00 in the library.

Sports Update

HS Girls Basketball - Indiana 62 Riverside 17. Our team got off to a good start by playing with good aggressive defense. Our defense did not allow the Lady Cubs to score in double digits in any of the four quarters. The Players of the Game were Jorjan Jeter, Amanda Krieger, and Pia Marie Paulone. Our next game is the winner of the Fremont/American game. Our current record is 4-3.

Wheeler Mission Food Drive

*Help feed the homeless and hungry
in their time of need.*

Wheeler Mission needs fresh fruit, vegetables and condiments (catsup, mustard, hot sauce, etc.) They will also appreciate any boxed or canned foods.

Please help by bringing your donation to school Monday, December 16 or Tuesday, December 17 and place it in the boxes in the secretaries' offices. Students will pick the boxes up Tues. morning.

The 7th Grade Family and Consumer Science Class will deliver the food to the Wheeler Mission on Wednesday, December 18.

Autism Workshop - Riley Hospital for Children Child and Adolescent Psychiatry Autism Clinic is proud to present "Next Steps" on January 14th, 2003 from 6:30 - 8:30 pm at the Riley Hospital Outpatient Clinic, Conference Room A. (Conference Room A is in the basement of the Outpatient Clinic. Please park in the Outpatient Garage and follow the signs.)

Next Steps is a workshop for parents who have a child that has recently been diagnosed with an Autism Spectrum Disorder. Professionals from several disciplines will be present to provide information on available services, behavior management, speech therapies, occupational therapies and medication management. Also in attendance will be parents who have been living with the diagnosis and are interested in sharing information on their experiences with family, the community and the schools. Cost for the training is \$25.00 for up to two adults. Scholarship opportunities are available based on financial need. Please contact Kelly Ernsperger MSW, LCSW, Autism Clinic Social Worker, at (317) 278-3475 to inquire. Enrollment forms along with payment must be received by 1/10/03 in order to guarantee your spot in the workshop. Enrollment the night of the workshop will be available as space permits. Payment may be brought to Marina in Child Psychiatry on the fourth floor of the Riley Hospital Outpatient Clinic (Room 4300) or, if paying in by check, mailed to:

Sports Update

7th & 8th Grade Boys Basketball – The team played against Edinburgh last night. Our boys improved with an aggressive hustle, rebound and play hard with defense!! They struggled offensively shooting and with their free throws. They only made 4 out of 15 free throws. Our boys will continue to practice hard on their shooting and free throws. We lost to Edinburgh with a final score of 41 to 17. However, Coach Sigafosse is proud of boys who played hard with HUSTLE!!!

5th & 6th Grade Boys Basketball – We played against Edinburgh last night and lost 51 to 21. We played against the 7th grade team since they don't have a 5th/6th grade team. Sure they were tall and huge but our boys didn't upgrade their level of intensity. Coach Crace was disappointed with the team, because they didn't play with their full strength. But, that's a lesson that the team must learn every quarter. The team is now 4 and 5, and the next game is against Park Tudor on Thursday. It will be another battle.

Colorado OUTWARD BOUND SCHOOL -Technical Skills Course through the Colorado Outward Bound School Community Programs - 10 Day Course, May 27 - June 5, 2003, LEADVILLE MOUNTAIN CENTER, Leadville Colorado

This course will provide a hands-on approach to learning the technical outdoor skills necessary for safe mountaineering. In order to maximize the teaching of skills in the technical realm, we will not be spending much time teaching basic outdoor camping skills. (These can be gained through a traditional Outward Bound leadership course curriculum; see catalog for more information). The course design includes 4 days of snow skills and 4 days of technical rock. The course area will be split: the first half will be located in a backcountry setting (fastest access possible to steep snow in the high country); the second half will have more of a car camping or base camp set-up. Participants may arrive personally equipped, however personal equipment (not including clothing and boots), all group gear and technical equipment will be provided.

Curriculum - The following curriculum will include both learning the actual skills as well as show to instruct the skills for those preparing to work as future outdoor instructors.

Course Opening and Introductions

Issue of equipment, orientation to course area, travel and establish camp

Introduction to equipment
Basic knots and rope handling
Harnesses: both with webbing and use of pre-fab harnesses
Snow Travel, Ice Axe Use/Self Arrest
Snow Anchors, Fixed Lines, Jay Lines
Group Management and Route Finding Considerations
Peak Climb or Steep Snow Climb
Top Rope Site Management
Belay School and Basic Rock Climbing Techniques
Rock Hardware, Anchors and Systems
Simulated Lead Climbing/Lead Climbing
Safety for Institutional Settings
Communication: Different Methods of Belay Communication

Sports Update

HS Swimming - We competed against a strong team, Heritage Christian, last night. We lost. The boys' score was 18 - 63; the girls' score was 28-57. Clayton Anderson came in 1st Place in the 50 Free and was very close in the 100 Free but came in second. Some swimmers improved their times. Our next meet is against Chatard this afternoon at 4:15 pm in ISD's pool. Come and support us!

Congratulations - Indiana School for the Deaf HS Volleyball Team has been chosen as the 2002 DeafSports.com National Deaf PrepGirls Volleyball Champions. Congratulations on a very outstanding season followed by a sweep in the title sweepstakes! Enjoy this distinctive privilege, ladies!

Thank you for helping Wheeler Mission! ☺

Sports Update

HS Girls Basketball - Union-Dugger -56 Indiana - 40 We got off to a very slow start before we caught fire in the second half. But, it was too late to catch the Lady Bulldogs. We were having problems trying to box out their two tallest players (6'3" & 6'1"). These two ladies dominated the paint area all night. After the winter break, we will make sure that we practice boxing out the taller players in the paint area. The Player of the Game was April Young (very aggressive all night by going after the ball). The current record is 5 - 5. The next game is against Western Pennsylvania at the Kentucky Classic on January 10, 2003. The team wishes all of you, Happy Holidays!

HS Swimming - We swam meet against Chartard yesterday, but we lost. The boys' score was 23-48. The girls' score was 14-78. Lindsey Dougherty is improving her time in her 500 Free. C.L. was thrilled to see his time cut to 1:08.5 in the 100 Free. The other swimmers worked hard! Our next meet isn't until next year against Greenwood and Southport (Away) on January 14. Have a nice holiday!

7th & 8th Grade Boys Basketball - Our boys played against Park Tudor. They played hard Hustle, Aggressive and Defense!! ISD beat Park Tudor 53 to 12. It was nice victory before the holiday vacation. Our boys will practice hard beginning again in January 2003. Colin Whited scored 12 points, had 5 assists and 2 steals. Jarvis Beaver scored 12 points with 3 assists and 3 steals. AJ Christain scored 8 points and got 7 steals with outstanding defense!! Hipo Deluna scored 6 points and 3 rebounds. Chris Lester and Chris Schuitema each scored 4 points. Have a nice vacation for two weeks and Happy Hoildays!

5th & 6th Grade Boys Basketball - We played Park Tudor yesterday. Before the game, the Park Tudor coach let me know that they would only have 6th grade players, but he would send in second team players if Coach Crace wanted. Coach Crace told him to send in his best players. At the end of 1st Quarter, they were up 17 to 7 and the Park Tudor coach sent his 2nd team to play the 2nd Quarter. About a minute or two later we tied 17 to 17. The Park Tudor coach sent in his first team back and never sent second team in again.

We lost 35 to 28, but Coach Crace is really proud of our boys because, they played with a big heart. The team played a great offensive motion with patience, excellent screening, bounce passes and shot selections. Our defense was excellent, and we really smother them big time. Gabriel Paulone and Terris Hazzard played their best game ever this year. Gabriel got 14 points, 6 rebounds, and 5 steals while Terris got 9 points and 9 rebounds. Tyler Crace, Tony Dall and Will Fetzter played great in their roles and had an excellent attitude. Coach Carce is proud of the second group who didn't play at all but showed a great team spirit. The team's crrent record is now 4 and 6. The next game will be played on January 8 against Sycamore. Coach Crace, Coach Yates and the team wish you all a Happy and Safe Holiday!

Student Council News - Student Council officers have conducted their meetings during lunchtimes at the cafeteria since the beginning of the school year. Since lunch time is limited, it would be better to have

Student Council meetings after school so there would be more time for meetings and projects. The sponsors understand that some officers are involved in winter sports. They have tried to create a schedule that avoids conflicts with practices and games. The meetings will take place in Room GO6 from 3:15 to 4 pm. Here are the dates for the upcoming Student Council meetings.

THE JOURNEY OF CLERC AND GALLAUDET

On December 11, 2002, Elementary, Middle School, and High School gave a performance about Clerc and Gallaudet. The main characters were: Thomas Gallaudet-Jonathan Reynolds; Laurent Clerc-Bradley Pollard; Scientist-Kevin Camper; Assistant Scientist-David Cochran; Modern Teachers-Justin Reynolds and Ellen O'Hara; and Alice Cogswell-Britta Schwall as the student.

Some of our own kids from Middle Schools were involved, too. They were: Jarvis Beaver, Octavia Bradley, Corey Burton, Jessica Ferch, Leah Grandt, Ryan Hawkins, Andrew Jackson, Chris Lester, Teddy Neanover, Buddy Redman, LaMarque Ross, Mollie Sachs,

Derek Scheetz, Holly Sharer, and Ann Whited. They all did a wonderful job! Hands up for them!

The program was about Clerc and Gallaudet. The program opened with a modern school scene, and the students entered a time machine. The rest of the performance was movie created by the students. The students went into the past, and brought Laurent Clerc and Thomas Gallaudet into the future with them. They explored ISD, and then went back in the past.

When the students and teachers made it back safely, they got a message! It was from the ghosts of Laurent Clerc, Thomas Gallaudet, and William Willard. They

each gave a touching speech and then faded away.

Everyone learned something that day. It was a great way to celebrate our heritage. Hands up to the crew who made the show possible!

Helping others

On Wednesday our FACS class delivered food to Wheeler Mission. Many people from ISD donated food.

It was hard work carrying a lot of heavy boxes, and some of us were

peanut butter.

When we were done organizing the food, one of the workers gave us snacks. We had a lot of fun going to Wheeler Mission.
